About

The website is www.burgbeats.com

(Home)

This website will be a online presence for Anthony Smith. a talented DJ and music producer located in Spartanburg, S.C.

(Music)

This portion of the website will be used got host some of Anthony's best music. Any beats that he has made, remixes to classic songs, and music he has made with local artists will be showcased on this portion of the website

(Artists)

This portion of the website will be used to showcase music artists that Anthony is currently working with ranging from songwriters, rappers, singers, Dj's, mixers, and instrument players.

(The Studio)

This portion of the website will be used to advertise his studio space for individuals who are looking to start trailblazing their path into the music world. It will show visitors the professionals he is working with, the instruments and equipment that can be used to produce a record, and the availability of the studio space and how much it will cost to rent the space for personal use.

(Contact/About)

Anthony has over 10 years of experience as a DJ at popular nightclubs, private parties, and public events. A portion of the website will be focused on promoting him as a DJ and giving website visitors a chance to hear samples of his music, see videos from events he has worked at, and find out how to get in touch with him and
